« Quand Petit Flûté, pour finir son voyage, se rendit à Paris, il entendit une petite valse musette avec ses variations, suivie d'un "french cancan" endiablé qu'aurait certainement apprécié, à la belle époque, Toulouse Lautrec. Il reconnut bien là sa capitale. »

"Back in Paris at the end of his travels, Flutey hears a popular waltz tune and variations, followed by a rousing Cancan such as Toulouse Lautrec would have enjoyed in the good old days. This is unmistakably Paris..."
